Note!!! This is a must read section!!! As the troop camps throughout the year, season-appropriate gear is required for the safety of the scout. Scouts will be sleeping outdoors Friday and Saturday nights and should pack accordingly. Appropriate gear also minimizes the chance that one of the adult leader volunteers will need to tend to a potential health concern. Required caving gear and caving etiquette will be discussed during troop meetings. If you have any questions please contact Marge Dunning (983-8166) or Beth Schwartz (527-1135).
