

# Troop 81 General Instruction Sheet

## Owasippi Summer Camp Programs

### **Preparing for Departure, Safety at Camp, and Return**

Bring any **Medication** and a signed Medication Form. Mark your son's name on everything and have it in the original containers inside a Ziploc bag. Put Name on EVERYTHING. Even Advil needs to be handled via the Camp Medication Coordinator. Check in with them at the parking lot at Hill.

You Son can bring **Spending Money**. This also needs to be checked in with the Bank Coordinator (an adult leader.) Put it in an envelope with your son's name on it. Older boys may choose to handle their own money, but for safety reasons, it is best to let the Banker keep it safe.

**TRAVEL FOOD** - Send a sack lunch for the ride to Owasippi and \$8-\$10 in cash for the ride home. We stop at a Food Court on the way home with Burger King, Pizza Hut, Taco Bell and a few other options. You can mark a 2<sup>nd</sup> envelope with name & money for the trip home!

**Leaving/Returning** - Arrive at Hill Middle School by the scheduled time. Scouts should be in Class A uniform with hat, neckerchief or bolo, and hiking boots. Upon the return drive from Camp, leaders will call with a better estimate of the return time in the Hill Middle School parking lot. See other form for details on dates and times.

**Gear** – Scouts' names should be put on ALL gear and clothing.

Electronics are ONLY allowed on the bus ride and are prohibited at Owasippi. The Troop does not accept any liability for the safety of any electronics.

**DO NOT SEND CELL PHONES!**

**Mail** - Scouts can receive mail and send mail. Letters need to be mailed days before leaving for camp and stopped by early into the week of camp in order for the boys to get them. See other form for details on dates.
